CONDITIONS FOR PARTICIPATING THE SCORNIO SURVIVAL CHALLENGE

This is the ultimate test of human willpower to survive.

You will be able to test all your knowledge of survival techniques, and your physical and psychological resistance.

CAN THEY COMPLETE THE 56 HOURS?

A group of people will make their best to survive for 56 Hours in an inhospitable environment, with reduced access to resources, taking only a few utensils with them.

It is an individual challenge where the competitors will be isolated and cannot interact with each other. Competitors will be constantly evaluated by a jury and will be faced with challenges in order to assess their survival techniques. It will not be easy, as they will have to hunt, fish, build shelters, collect water, make fire, guidance and much more to complete the 56 hours.

TO WHOM IT IS INTENDED

This challenge is aimed at people with experience in survival techniques, bushcraft and adventurers who want to test their skills in nature. Participants will be accompanied by a team of professionals, who will monitor all your movements during the 56hours.

Example:

– Practitioners of survival

- Bushcraft practitioners
- Military
- Ex-military
- Among others.

Note: It is essential to have knowledge of survival techniques or bushcraft.

Participant's Liability and Waiver of Liability

I, of legal age and fully capable of subscribing to this document, declare that I have read, fully understand and accept the following statement.

I declare to know and accept the rules and regulations of SCORNIO SURVIVAL CHALLENGE and accept responsibility for any problem that this proof of survival may cause me.

The organization warns me that this proof of survival is difficult and that there are risks inherent in the presence of natural and artificial obstacles.

It is my responsibility to be fit for this survival test, to ensure that I am in good health in general, as well as a sufficient level of physical, technical and mental preparation to face a 48 hour Survival test and overcome obstacles and challenges that will be presented to me.

I understand and accept the risks inherent in participating in these activities. Still, I agree to participate in this test of survival.

I understand and agree that neither the organizers nor any of the collaborating persons can be held responsible, under any circumstances, for the injury, death or other type of damage that may occur to me as a result of my participation in this survival test, or as a result of neglect of any one of the parties, including any incidents that may arise with all contracted services.

In addition, I release that responsibility from the proof of survival itself, and its organizers, employees and sponsors, over any judicial or extrajudicial claims that my family, heirs or persons who might legally want to represent me as a result of my participation in this proof survival.

I agree to receive and pay all medical expenses related to my own treatment, costs necessary for injuries, accidents and / or illness during the survival test.

I am aware that this type of test, taking place in a natural environment, is difficult to control and carries an additional risk for the participants. That is why I am participating freely and taking full responsibility for the risks and consequences of my participation.

I authorize the organization to provide me with first aid and other medical treatment in the event of injury or illness and hereby release any responsibility or claim arising from such treatment.

I agree that the organizers are not responsible for personal items or property that may be lost, damaged or stolen in the proof of survival.

I authorize the organizers to use photographs, images, videos, films, recordings or any other record of the activities of the proof of survival for any legitimate purpose in perpetuity and I understand that I will not be entitled to any type of Compensation.

My participation is personal and non-transferable and I will not be able to give it to another participant to take my place.
